YOUR SUPPORT MATTERS

Help Provide Albany Students With School Supplies & Enrichment Opportunities

With your support, the Albany Public Schools Foundation will be providing extra enrichment and classroom grant support for schools, teachers, and students this fall as they navigate back to in-person learning. The classrooms have been empty for almost a year and supplies and equipment will need to be replenished. Teachers are excited about providing enriching in-person experiences for their students. Our goal is to provide \$125,000 in grants to support students in all 20 schools.

Donate Today & Support In-Person Learning

YOUR CONTRIBUTION COULD PROVIDE:

- School supplies
- Basic needs for low-income students
- Art and music enrichment
- Technology for the classroom
- Suicide prevention and mental health support

Thank you for investing in Albany kids!
