"January, the month of new beginnings and fresh starts, holds the key to unlock your biggest dreams."

Happy New Year!

As the new year starts, I am filled with gratitude to all of you who helped support our season of giving. We are truly blessed to live in such a supportive community.

It feels like a fresh beginning this month. We are very busy getting ready for two BIG events for the Foundation. **iRun for Kids is March 15th.** Now is the time to get registered and prepare to run or even walk your first 5K. Set your goals even higher and you can participate in our 10-mile run. The scenic route is flat and perfect for those of you who are wanting to train and build up miles for a half or full marathon in your future. We also have the Little Leprechaun Dash for the littles in Kindergarten-2nd grade. So much fun while raising much needed funds. [Please sign up today!](#)

iSwim for Kids is April 12th this year and we could use your support. Last year we introduced "Sponsor a Student". This sponsorship will allow students from low-income schools to participate in iSwim for Kids without the need to collect pledges. Last year we were able to sponsor 30 students from three elementary schools. This year we want to add one more school. Please help us reach our goal! [Visit our website](#) to learn more.

Scholarship season is right around the corner. We have some amazing scholarships this year from some amazing donors. If you know a graduating senior in the Albany Public School District, please tell them to [visit our website](#) starting on February 14th. The scholarship window is only open for one month.

We would like to thank North Albany IGA for choosing us as the Round Up recipient for January. This is such an easy way to help support the Foundation. *When you are checking out, let them know that you want to "round up" for the Albany Public Schools Foundation.* In February they will present to us a check from your donations.

In closing, I want to thank you once again for your continued support.

Thanks again!
