Our Mission

The mission of the foundation is to generate and distribute resources that enrich and enhance educational opportunities for all students, encourage teachers to implement innovative education programs, and award scholarships to Greater Albany Public School District students.

Our Vision

Every Student. Every Opportunity to Succeed.

[Learn More About Us](#)

Our Strategic Plan

The Albany Public Schools Foundation will secure resources from various community sources to support Albany Public School District educational and enrichment programs for which school funds are not available. These programs will stimulate excellence in and mobilize community support for enhancing the quality of education in the District. The Foundation will inform the community about the strengths and innovative programs in the public schools to build confidence in the schools and encourage community and business financial and non-financial support.

How We Started

Albany Public Schools Foundation was formed and incorporated in 1984 by a group of concerned citizens to help meet the educational needs of youth in the Greater Albany Public School District. With an initial donation of \$500, the Foundation was financially established and has flourished with the generous support of local community leaders and businesses. From the initial donation, the Foundation's assets have grown to a total of \$5 million as of fiscal year-end June 30, 2024. The Foundation manages over \$2.7 million in endowments that have been primarily established for scholarship purposes through bequests and other planned gifts.

Currently, the Albany Public Schools Foundation's board of directors is made up of 17 members. These dedicated individuals include active and retired teachers and administrators, local business leaders and dedicated community members.

**Your sponsorship of the Albany Public Schools Foundation will
impact 21 schools and over 8,500 students.**

Meet Some Scholarship Winners

Eric

"My family's sacrifices inspire me every day...They may not have had the chance to pursue higher education, but because of their sacrifices, I do. That is why I refuse to let anything hold me back. My success is not just for me, it is for them."

Natalie

"I am truly honored to receive this recognition from our amazing community! This award brings me immense pride and gratitude, fueling my motivation to continue growing in my career. I am excited about the journey ahead and committed to making a positive impact that not only shapes my future but also uplifts our communities. Together, let's strengthen our shared sense of belonging and purpose, and create a brighter tomorrow! Thank you so much, with great gratitude."

Sydney

"Knowing that someone believes in my potential is incredibly motivating. Your support is making a real difference in my life, and I hope to one day pay it forward by giving back to my community, just as you have."

Why Create a Scholarship?

"At Healing Motion, we believe physical therapy plays a vital role in restoring mobility, independence, and quality of life for people in our community every day. By providing a scholarship through the Albany Public Schools Foundation, we hope to make the path to a physical therapy doctorate program more attainable for the next generation of caregivers and leaders in the field. It's our way of giving back while encouraging a lifelong commitment to healing and service."

PEELY'S TEACHER SUPPLY HOUSE

Improving student outcomes by providing free classroom and school supplies to teachers in the Greater Albany Public Schools District

Peely's Teacher Supply House is a vital program that supports educators by providing free school and classroom supplies—resources they would otherwise purchase with their own money. By removing this financial burden, we help ensure that every student, regardless of background, has the tools they need to succeed in school. In a time when many families are struggling to afford basic school supplies, our program helps teachers fill the gap so students can come to class prepared and ready to learn.

In its first year, Peely's Teacher Supply House served teachers in grades Pre-K through 5, saving them nearly **\$15,000** in out-of-pocket expenses. Beginning in Fall 2025, we are proud to expand access to include all teachers across the Greater Albany Public Schools district—from Pre-K through 12th grade. As the program grows, so does its impact—empowering more teachers, uplifting more students, and strengthening our entire school community.

Peely's is fully funded through generous donations, sponsorships, and grants. We are deeply grateful for the support of local businesses, organizations, and individuals who make this program possible. To learn more about how you can support Peely's Teacher Supply House and make a lasting impact on our schools, please contact us.

We Welcome Donations!
