Your Support Matters

Our Mission

The mission of the Foundation is to generate and distribute resources that enrich and enhance educational opportunities for all students, encourage teachers to implement innovative education programs, and award scholarships to Greater Albany Public School District students.

Our Vision

Every Student. Every Opportunity to Succeed.

Our Strategic Plan

The Albany Public Schools Foundation will secure resources from various community sources to support Albany Public School District educational and enrichment programs for which school funds are not available. These programs will stimulate excellence in and mobilize community support for enhancing the quality of education in the District. The Foundation will inform the community about the strengths and innovative programs in the public schools to build confidence in the schools and encourage community and business financial and non-financial support.

How We Started

Albany Public Schools Foundation was formed and incorporated in 1984 by a group of concerned citizens to help meet the educational needs of youth in the Greater Albany Public School District. With an initial donation of \$500, the Foundation was financially established and has flourished with the generous support of local community leaders and businesses.

From the initial donation, the Foundation's assets have grown to a total of \$6 million as of fiscal year 2025-26. The Foundation manages over \$3.8 million in endowments that have been primarily established for scholarship purposes through bequests and other planned gifts.

Currently, the Albany Public Schools Foundation's board of directors is made up of 18 members. These dedicated individuals include active and retired teachers and administrators, local business leaders and dedicated community members.

**Your sponsorship of the Albany Public Schools Foundation will
impact 21 schools and over 8,500 students.**

iCelebrate Kids - Sponsorship Benefits

In-Kind Sponsors

Contact us to arrange details

In-Kind sponsors donate their time, services, and/or products to us at no charge. We are extremely grateful for these sponsors, and we can't run our events without them!

In-Kind sponsors will be traded for the sponsorship level approximately equal to the value of their donation. In-Kind sponsors will receive most benefits that a paying sponsor would, including all advertising.

However, they will not receive any seats or drink tickets to iCelebrate.

Please note In-Kind sponsorships are only available for Table, Red Apple, Green Apple and Big Apple Sponsorships. *In-Kind sponsorships do not apply to auction item donations.*

Auction Items

Contact us to arrange details

Donate a Live or Silent Auction Item for iCelebrate!

Our auctions are a huge part of iCelebrate, and we need the help of our community to put together unique and interesting auction item packages that our attendees will want to bid on.

LIVE AUCTION ITEMS:

Generally we consider a live auction item to be valued at a *minimum* of \$1,000. These are typically experiences, vacations, large golf packages, services, jewelry, and other large or valuable items such as outdoor furniture. There are many possibilities!

- Businesses who donate an item or service for our live auction will have their logo displayed on our live auction poster boards. Your name will also be in our auction program.
- We will often combine separate larger donated items to create one live item package.
 - *Example:* In the past, this has been done with a BBQ Grill from a hardware store, and a "BBQ Grill Box" of fresh meat from a butcher, along with some additional accessories. Each of these items were donated from different people and were all credited as donors.
- We do not take consignments

SILENT AUCTION ITEMS:

The silent auction is open to all attendees, and we are looking for items of all kinds that anyone can afford. **Price range: \$20-\$500 (approximately).** Silent auction items can be anything, **be creative!**

- *Some examples of silent auction items include:*
 - Holiday themed baskets, home decor, sports gear/memorabilia, pet items, movie themed baskets, tickets to a play/show, admission to museums or theme parks... the possibilities are endless.
- Please refrain from donating your own branded merchandise for our silent auction, if possible.
- Businesses who donate silent auction items may include contact info and/or brochures/flyers about your business within your basket.

PEELY'S TEACHER SUPPLY HOUSE

Improving student outcomes by providing free classroom and school supplies to teachers in the Greater Albany Public Schools District

Peely's Teacher Supply House is a vital program that supports educators in the Greater Albany Public School District (GAPS) by providing free school and classroom supplies. By removing this financial burden, we help ensure that every student, regardless of background, has the tools they need to succeed in school. In a time when many families are struggling to afford basic school supplies, our program helps teachers fill the gap so students can come to class prepared and ready to learn.

Peely's serves Pre-K through 12th grade. **In 2025-26, Peely's saved teachers over \$48,000.** As the program grows, so does its impact, empowering more teachers, uplifting more students, and strengthening our entire community.

Peely's is funded through generous donations, sponsorships, and grants. We are deeply grateful for the support of local businesses, organizations, and individuals who make this program possible. To learn more about how you can support Peely's Teacher Supply House and make a lasting impact on our schools, please contact us.
